

Optional Logo Sole

The logo on the outsole is a mirror image so the impression in the sand will read correctly.

Many logos require modification, depending on various details, as this process has some limitations.

- Some details may be too small to cut out and may have to be eliminated.
 - Letters with enclosed spaces will require opening. (i.e. "O", "P", "A", etc)
- We attempt to minimize the changes to all logos but, understandably, have to meet the minimum requirements.

Art Tip: For best logo sole results, use silhouetted shaped art, san serif and blocked fonts on the sandal.
